

# Art Show & Wine Tasting

*a fundraising benefit for*

Jesse's House is an emergency shelter that has three main goals they strive for on a daily basis: to serve high risk girls between the ages of seven and seventeen who are referred from the Department of Family and Children's Services or Department of Juvenile Justice; to reunify the residents with their families whenever possible; and to provide a safe house until appropriate placement is found.

With many federal and state agencies making budget cuts, non-profit organizations like Jesse's House are pretty much guaranteed less funding in the coming years, so now more than ever, personal donations are needed.

Thank you for attending this benefit! To make a donation after this event or for more information about Jesse's House contact:
